**A Guide to the Programs and Staff of the
Department of Environmental Protection**

September 2002

Dear Readers:

Welcome to Easy Access, your guide to the offices, programs and staff within the Department of Environmental Protection.

This is an abbreviated version of the department's organizational areas. A more comprehensive version of this document will be posted shortly. As such, be sure to check out our web site for periodic updates to this guide, as well as the latest departmental news and environmental information.

If you are not sure which program can address your concern, call our main DEP information line at (609) 777-3373 and our Public Access Center staff will be happy to help properly direct your call.

Sincerely,
Bradley M. Campbell
Commissioner
