Subject: Rutgers 'NJ Landscape Project' Training August 23rd

Posting on landscape project training to the NJ Endangered Species listserv today. Note that this training is specific to accessing critical habitats for threatened and endangered species.

Subject: Landscape Project Trainings Offered

A NJ Landscape Project training will be hosted by Rutgers University, Cook College on Thursday, Aug 23rd, from 9:30 a.m. - 12:30 p.m.

Please note In addition to the below information, the session will also include a short presentation and preview of New Jersey's Landscape Project Version 3.0: Highlands.***

Participants will learn about the Landscape Project and utilize GIS in a hands-on training to learn how to access critical habitat maps for threatened and endangered species. Seating is limited so please register as soon as possible.

For information regarding the training, scheduling and registration please consult http://www.njfishandwildlife.com/ensp/landscape_train.htm or e-mail patrick.woerner@dep.state.nj.us.

Version 2.0 of New Jersey's Landscape Project that identifies critical habitats throughout the state can be obtained:

- Online via download: <http://www.njfishandwildlife.com/ensp/landscape/download.htm>
 - Online via i-MapNJ: <http://www.state.nj.us/dep/gis/depsplash.htm#>
 - On Compact Disc by request to the Division of Fish and Wildlife's Endangered and Nongame Species Program by calling 609-292-9400; faxing 609-984-1414; or writing to P.O. Box 400, Trenton, NJ 08625-0400.
