Source: USDA National Invasive Species Information Center Managers' Toolkit webpage at
www.invasivespeciesinfo.gov/toolkit/main.shtml.

Background: The National Invasive Species Information Center (NISIC) was established in 2005 at the National Agricultural Library to meet the information needs of users including the National Invasive Species Council (Council). NISIC creates and manages the www.invasivespeciesinfo.gov web site. The Web site serves as a reference gateway to information, organizations, and services about invasive species.
