7:30-9.5(b) Any person required to be a licensed pesticide applicator or dealer who stores any pesticide shall maintain a list of the pesticides stored or likely to be stored during the license year and shall annually send a copy of this list with an explanatory cover letter to the local fire company along with a written description or diagram depicting the exact location of the area on the property where the pesticide is stored; provided that the provisions of this subsection shall not apply to individuals who are storing pesticides for their personal use on their private residence or persons who are storing pesticides for less than seven calendar days at loading or application sites in connection with their use.

1. The list shall be updated and sent to the local fire company each year by May 1.
2. The list shall be kept at a location which is separate from the actual storage site.
3. The cover letter shall explain that this list has been sent pursuant to N.J.A.C. 7:30-9.5(b).
4. A copy of each year's cover letter shall be kept on file for three years and shall be provided immediately upon request by the Department.
